GOLDSBORO HIGH SCHOOL

Foreword

Our high school days . . . those wonderful days which will always remain among the most cherished of all our memories. This is where they begin . . .

Behind the familiar brick walls another day begins in the life of each student.

It is with these days in mind that the 1958 Annual Staff proudly presents this edition of the *Goatsca*.

Our Day

The bell rings, and with that sound the rush to the lockers begins. Familiar combinations are worked; books, gossip and laughs are exchanged in the brief period before classes are begun.

A devotion in each classroom begins the school day . . . a few moments dedicated to the One who makes this day possible.

At activity period comes an assembly for religion, school politics, or entertainment. The G.H.S. students are all together again.

More classes . . . and then that most looked forward to break of the day—lunch. Here, hearty appetites are satisfied and the day's happenings are discussed.

So ends our day. A group of tired but happy students make their way home.

G. H. S. School Spirit

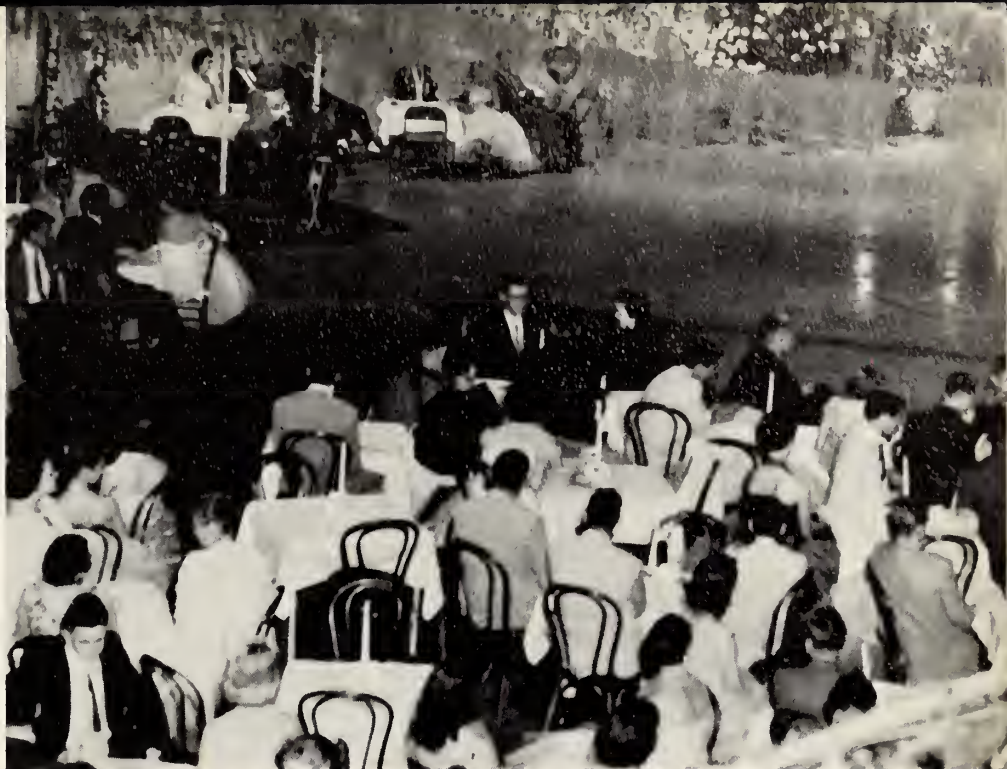

Spirit starts on the playing field with the team and the cheering spectators. It has its beginning here, but it follows us throughout our lives, giving us a strong desire for fair play.

It is spirit that binds our school together. Spirit that makes just another group

The existing spirit adapts itself to play-acting . . . The spirit is evident in the actors and actresses in every Goldmasquer production . . . The spirit of the budding Thespians springs forth, hovers over the footlights and then gently permeates the audience.

Here is another form of spirit. It blooms in a different atmosphere . . . a fairyland where ordinary students become kings and queens. This is the spirit which comes only from the thrill of our first big dance. Yes, our fondest memories will be those which carry us back to our high school dances.

tudents friends . . . friends with whom we share each victory and each defeat.

Our high school days end here, but not our spirit. It is undying, for in our memories there will always be a place for Goldsboro High . . . the school with a heart, and most important, the school with spirit.

Goldsboro

Alma Mater

*There's a song in the air,
Goldsboro High School;
You can hear it everywhere,
Goldsboro High School;
In your school or at home,
Any place you chance to roam,
Goldsboro, Goldsboro High School.*

*Then hurrah for our school,
Let us sing; let us sing;
And we'll up with a cheer,
Let it ring; let it ring.
For we're faithful and true,
To our colors white and blue,
Goldsboro, Goldsboro High School!*

Class Song

To Goldsboro High, the school we love:
The Senior Class now brings to you
Our motto which we hold above all other
deeds we'll strive to do.
As we unfold our colors fair, the lavender
and the white,
So we set forth to do and dare and keep them
always shining bright.
This rose so noble and serene, inspires us to
our greater deeds.
May its pure white keep our hearts clean, to
always follow where it leads.
We give our school, our town, and state
Our loyalty while we may live.
Think not the Class of '58
Shall ever take and never give.

Class History

Our class, the Class of 1958, entered GHS as scared and innocent freshmen in September, 1954. We were tortured and abused by the heartless upperclassmen in the famed "Freshman Day."

Although we did not win Stunt Night that year, the queen came from the Freshman Class. Neither did we win the Magazine Drive, but one of our homerooms was given a trip to the Ice Capades in Raleigh for being the high homeroom of the school. This trip was our first one affiliated with Goldsboro High School.

As Sophomores the tables were turned . . . now it was our turn to torture the underclassmen.

During that year, our second one at GHS, the Biology classes left at the crack of dawn for Florida. There we spent five of the most memorable days of our lives.

Then came our "jolly junior" year. Our class walked away with all of the honors of the school. We won the Magazine Drive and Stunt Night and had the most beautiful Junior-Senior ever!

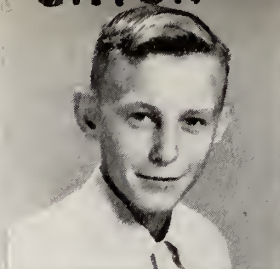

This year, as Seniors, we have bought and sold everything from calling cards to pansies. Our last year is not yet over, and now we are thinking . . . "Will previous successes spoil the Senior Class?"

In the years to come, many times in the course of conversation some one will say, "Remember the time when . . ." and at those times we will relive the wonderful times of the Class of 1958.

The Progress of Our School

Large and growing larger . . .

Several years ago two large shops were added to the east wing of the building. Since then a commodious gymnasium has been added; two sets of steel bleachers flank the football field; a band room has been provided; and just this spring a four-room annex has been added to the west wing, thus connecting both the first and second floors to the gymnasium.

We continue to grow . . .
Now as a Senior High School.

CHUCK CLARKE

Class Song

We are the Juniors of old G. H. S.
Until the day that ends our lives
We'll try to do our best.

Green and white we cherish
White carnations, too.
We'll strive to perfect, to learn,
to serve.

Our spirits rise as we lift our eyes
To the future now unseen.
But let us fight with all our might,
And on God our hopes will lean.

Our class we are proud of,
We shall go to the top.
For we're the Class of '59;
What we start, we'll never stop.

In Memoriam

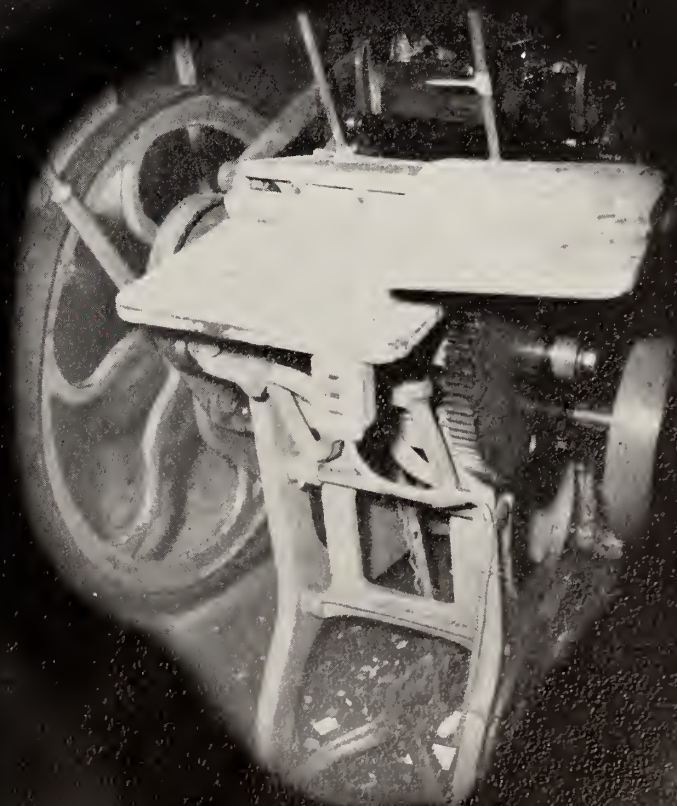

These pages are dedicated to the memory of ANTHONY BLYSAK, an outstanding teacher, a loyal friend, and a Christian gentleman. He departed this life on February 1, 1958, after 12 years of devoted service to Goldsboro High School, its students, the faculty, and the community.

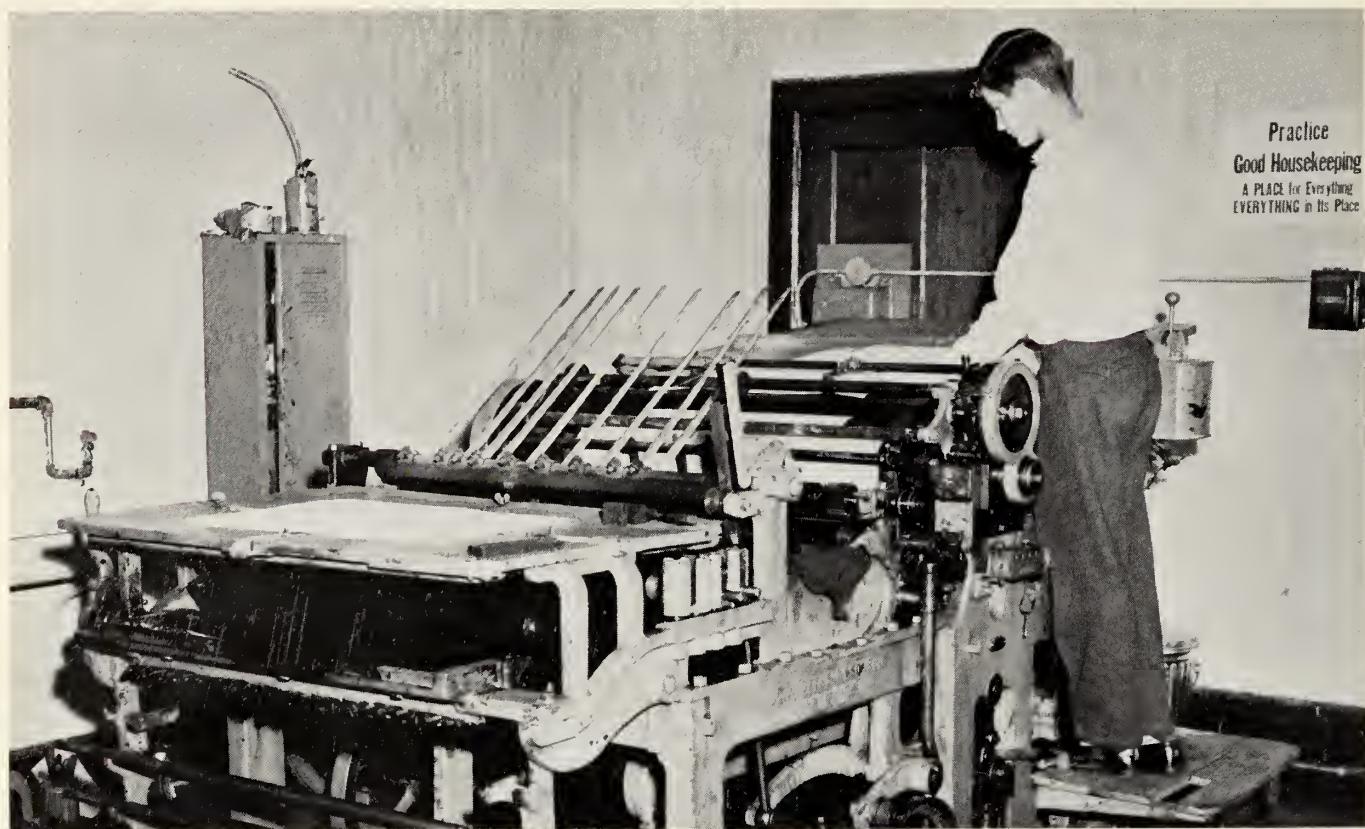

VOCATION

Gordon McMillian is shown printing the Hi-News.

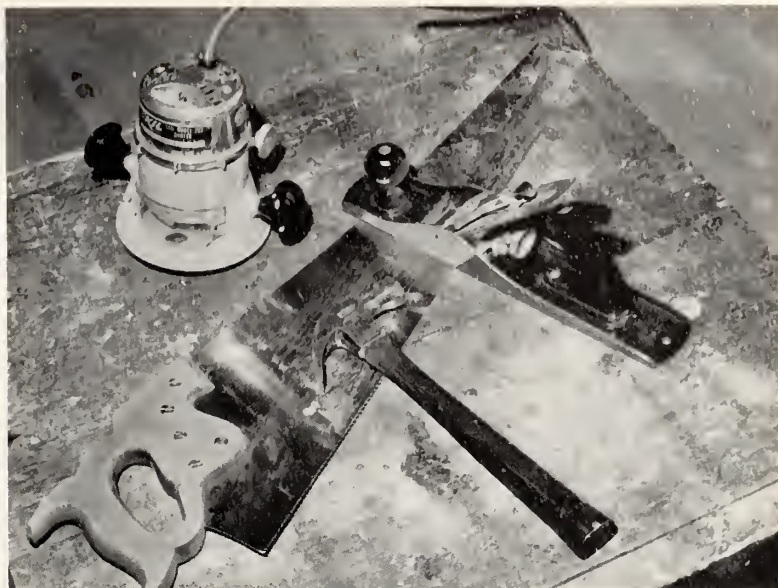

The purpose of the printing classes is to prepare people to go into the newspaper field. Here they learn to set type, to work the presses, and to do many other helpful things connected with this trade.

Mac Taylor prints admit slips.

Printing

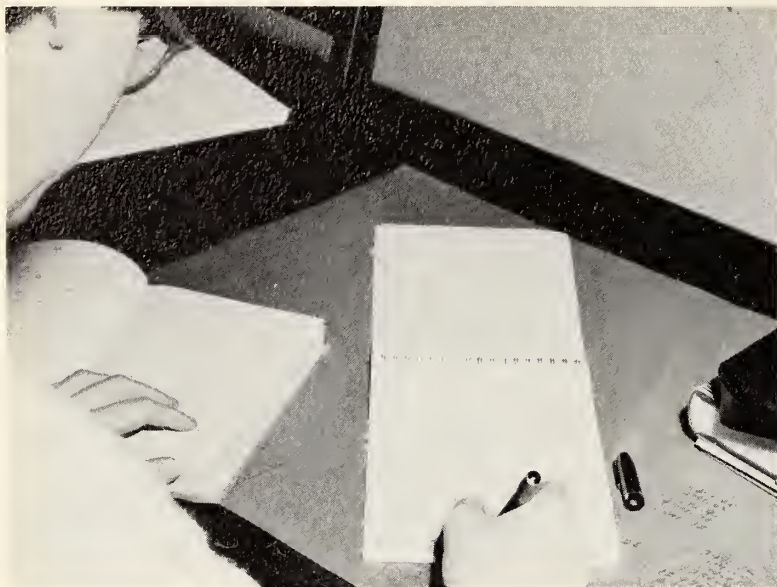

Industrial Arts

Tools of the trade.

Industrial Arts is a helpful study for boys who wish to become carpenters or those who just work at "do-it-yourself" jobs. They learn to use many of the power tools with skill.

Hard at work.

Shorthand

To help prepare girls for jobs as secretaries, Goldsboro High School offers a course in shorthand. Many girls find shorthand helps them in other courses also.

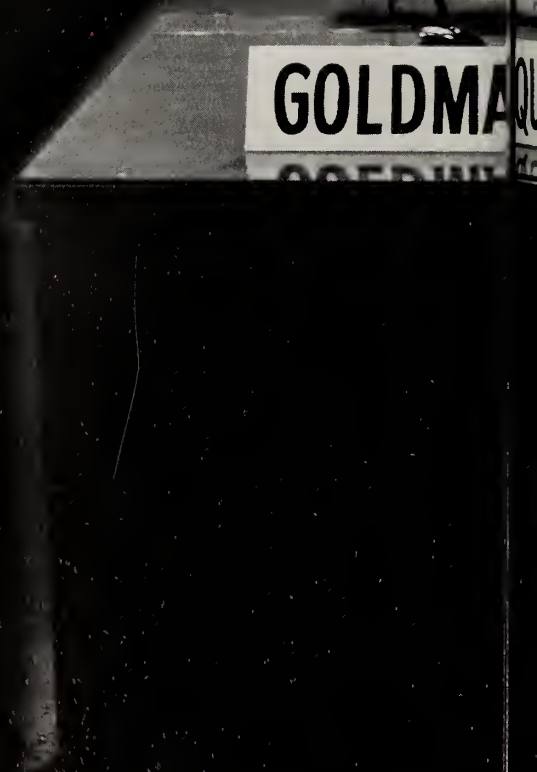

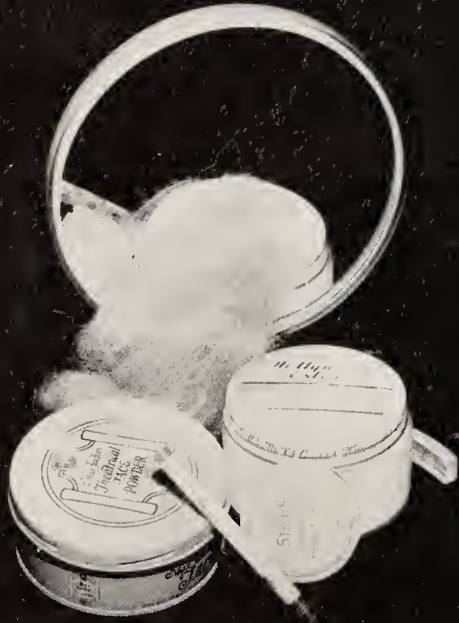

Second Period Typing Class.

Typing is another secretarial course given here. However, not everyone who takes typing will end up as a secretary.

Varsity Club Prayer

When the score stands against me, and there seems little chance to win, when there is a whole half to play, and I am hot and tired and sick at heart. then I pray, Divine Comrade, for strength to play the game. It is easy enough to play when I am winning, when I feel fresh and there are no odds against me; but when things are going wrong and I am tempted to cheat, to gamble, or to quit, then I need Thy help. I want to take life as a game and play it fair and hard. To do this, I need some strong leader, so I pray that Thou will always be with me. When I am cowardly or tired, or baffled, give me the sense that Thou art by my side, telling me how to plan my way and giving me the courage to keep on. Be with me in the contests of today and all through life's courses. Amen.

GHS VICTORY SONG

*Victory, Victory, GHS
You'll always be the best.
And by your right and might
You'll stand so tall
And never, never, fall.
Rah! Rah! Rah!*

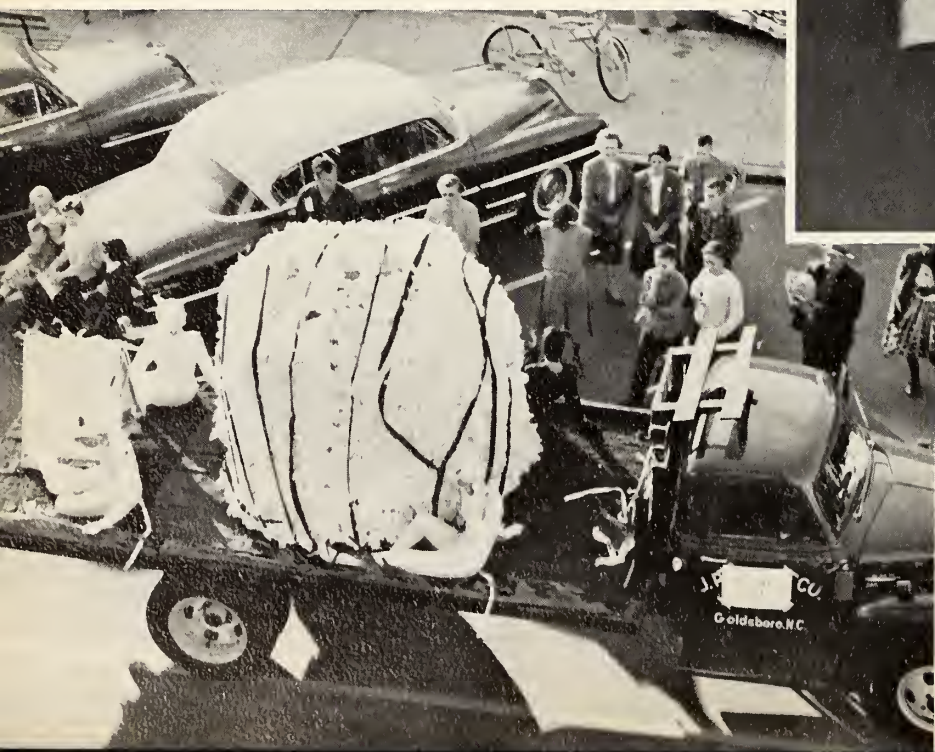

*In the task that we undertake
Goldsboro High we'll never forsake.
So let us fight, fight, to win the game
and go marching to victory!*

The homecoming ball begins to roll with a bonfire held on the Thursday night before the big game.

Each homeroom enters a float in the homecoming parade on Friday afternoon. This prize-winning float came from Mrs. Irby's class.

One of the highlights of Homecoming Weekend is the naming of the Varsity

coming

Club Sweetheart at halftime. This year Kay Hood was chosen by the Club.

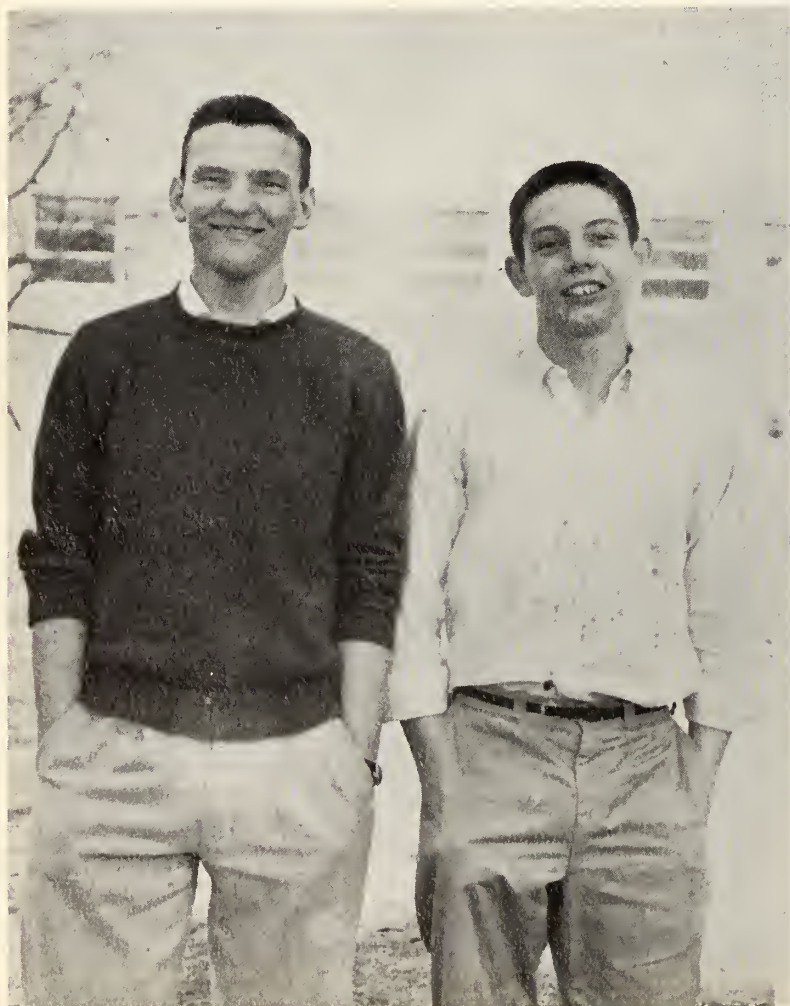

Of course, the game is the most thrilling event!

This Homecoming Weekend ends all too soon with a dance in the gym on Saturday night.
